**LEED Specification Sheet  
for New Construction and Major Renovation**

November 1, 2013

To Whom It May Concern:

This letter has been sent to verify the VOC content of Titebond® WeatherMaster™ Concrete Joint SL Sealant. The current VOC content of this product is 10g/L. Accordingly, the VOC content of Titebond WeatherMaster Concrete Joint SL Sealant is less than the current VOC content limits of California's South Coast Air Quality Management District (SCAQMD) Rule #1168.

Titebond WeatherMaster Concrete Joint SL Sealant is eligible for the U.S. Green Building Council LEED 2009 Green Building Rating System for New Construction & Major Renovations EQ credit 4.1. This statement is based on the Titebond product referenced above and the formulation of the product and the regulations in place according to the date of this letter.

For the use of this product, you could be contributing up to one point under the Indoor Environmental Quality Rating System.

Please use this letter for specification purposes and call 1-888-533-9043 with any further questions.
